r17.3.5 Changelog

```
+-----------------------------------+
|   r17.3.5 Release -  70175  |
+-----------------------------------+
```

Release day - 5th August 2020

Bug

- Access Violation in Multi Layer Editor during transitions
- Fix duplicate Catch test name in test_recorder.cpp

Story

- Rewrite undistortion tests, so they don't cause CI agent hangs
