r22.2.1 Changelog

```
+----------------------------------+
|   r22.2.1 Release - 95741
+----------------------------------+
```

Release day - 16th November 2022

Fixes

- DSOF-21308 - Fixed an issue where failed RmaxVideoIn instances would pollute pool

- DSOF-21731 - Fixed an issue where cube LUTs with negative values didn't parse

- DSOF-22300 - Fixed EXR image support

- DSOF-22305 - Fixed an issue where setting the colour space of a colour profile to Rec.709 did not work until project restart

- DSOF-22511 - Fixed an issue where a "No valid Designer licence detected!" popup blocked Trial release from launching
