

r29.1.1 Changelog

+-----+
| r29.1.1 Release - 198080 |
+-----+

Release day: October 2nd 2024

Fixes

- DSOF-28283 - TrackSection Fades with Precomps no longer cause precomps to snap instead of transitioning smoothly
- DSOF-28295 - Designer now properly accepts variables in "selected index" expression of list indirection controllers
- DSOF-28338 - OCIO - Dynamic properties no longer affect all videos with the same colour space
