

r29.2.1 Changelog

+-----+
| r29.2.1 Release - 199832 |
+-----+

Fixes

- **DSOF-23165** - Texture Widget: Type filters are now always visible for all created texture types
- **DSOF-27913** - Non-functional Lock/Unlock Files button removed from **VideoClip** object
- **DSOF-28311** - The Test Pattern layer now renders consistently across colour management modes
- **DSOF-28323** - Tracking marker layer now displays the correct colours when using different OCIO input transforms.
